**QUESTION 1** (25 marks, 30 minutes)

**QUESTION 1(a) (10 marks, 12 minutes)**

Dinepe Fela (Pty) Ltd (Dinepe) is a South African company that sells contemporary art. Dinepe’s financial year ends on 31 March. On 28 March 2013 they sold an artwork worth R10 000 to an advertising company. The advertising company bought the artwork to hang in their reception area. Instead of paying cash for the artwork, the advertising company offered Dinepe an advertising campaign also worth R10 000. On 30 March 2013, Dinepe accepted the advertising campaign instead of cash. The campaign would consist of 10 monthly advertisements in a local newspaper, commencing during April 2013.

**REQUIRED:**

Discuss whether the receipt of the advertising campaign would constitute **gross income** of Dinepe Fela (Pty) Ltd as defined in the Income Tax Act 58 of 1962 for the year ending 31 March 2013.

**QUESTION 1(b) (15 marks, 18 minutes)**

Dikoloto Fela (Pty) Ltd (Dikoloto) is a residential property developer with a March year-end. Dikoloto’s main business is selling residential property in the form of freestanding full-title homes, sectional title townhouses and full-title stands.

On 13 October 2012, hurricane Sally struck one of the towns in which Dikoloto operates and destroyed four unsold townhouses with an original cost of R4 500 000 in total. The insurance company paid Dikoloto R3 900 000 in respect of this loss.

**REQUIRED:**

Discuss whether the expenditure and/or losses above are deductible by Dikoloto Fela (Pty) Ltd in terms of the general deduction formula (s11(a) read with s23) for the year of assessment ending 31 March 2013. Where applicable, briefly make reference to the applicable case law.

QUESTION 4 (20 marks, 24 minutes)

Notes CC carries on the business of manufacturing music instruments. It is not regarded as a small business corporation as defined in the Income Tax Act

The taxable income of the close corporation for the year of assessment ending 31 March 2013, before taking into account the items mentioned below, amounted to R5 800 000

Additional information

Fixed assets obtained in prior years and still in use at 31 March 2013

1 Vehicles purchased new on 1 June 2007 for R120 000
2 Building CC in an urban development zone purchased new on 1 November 2011 for R1 200 000
All the requirements to claim an urban development zone building allowance were met

Fixed assets obtained during the year

3 Two small item assets with a collective cost of R4 500 were purchased on 30 November 2012. These items qualify for the section 11(e) wear and tear allowance
4 Manufacturing machine MM was purchased second-hand on 1 June 2012 for R300 000 and brought into use on the same date
5 A new manufacturing machine LL was purchased on 1 February 2013 for R450 000 and brought into use on 1 March 2013

</tbody>
</table>

Repair and extension to assets

7 Manufacturing building ZZ’s roof was badly damaged during a storm and needed to be replaced on 1 April 2012 at a cost of R220 000. Notes CC decided to extend the roof to allow for an undercover parking area for its employees. The cost of this extension amounted to R300 000.

Fixed assets sold during the year

8 On 31 March 2013 furniture, costing R30 000 and originally purchased on 1 October 2011, was sold for R10 000. The furniture was sold to a pawnshop because it was damaged and was no longer useable. No transactions regarding this asset have been included in the taxable income calculation of R5 800 000 above.

9 On 30 November 2012 manufacturing machine PP costing R290 000 was sold for R310 000. This machine was purchased new on 30 June 2006. No transactions regarding this asset have been included in the taxable income calculation of R5 800 000 above.

Other information

10 Binding general ruling No 7 makes provision for the following write-off periods:
   - Vehicles – 5 years
   - Undercover parking (carports) – 5 years
   - Furniture – 6 years

REQUIRED: Calculate the income tax liability of Notes CC for the year of assessment ending 31 March 2013.  

MARKS

Note: The close corporation has elected to claim the section 11(o) allowance of the Income Tax Act, and to make use of the building recoupment set-off, where applicable. Ignore any capital gains tax implications.

--- 0 0 0 ---
ANNEXURE A: EXTRACT FROM THE INCOME TAX ACT (ACT 58 OF 1962, AS AMENDED) – EIGHTH SCHEDULE

25. Determination of base cost of pre-valuation date assets. - The base cost of a pre-valuation date asset (other than an identical asset in respect of which paragraph 32 (3A) has been applied), is the sum of the valuation date value of that asset, as determined in terms of paragraph 26, 27 or 28 and the expenditure allowable in terms of paragraph 20 incurred on or after the valuation date in respect of that asset

26. Valuation date value where proceeds exceed expenditure or where expenditure in respect of an asset cannot be determined. - (1) Where the proceeds from the disposal of a pre-valuation date asset (other than an asset contemplated in paragraph 28 or in respect of which paragraph 32 (3A) has been applied) exceed the expenditure allowable in terms of paragraph 20 incurred before, on and after the valuation date in respect of that asset, the person who disposed of that asset must, subject to subparagraph (3), adopt any of the following as the valuation date value of that asset-

(a) the market value of the asset on the valuation date as contemplated in paragraph 29,

(b) 20 per cent of the proceeds from disposal of the asset, after deducting from those proceeds an amount equal to the expenditure allowable in terms of paragraph 20 incurred on or after the valuation date, or

(c) the time-apportionment base cost of the asset as contemplated in paragraph 30

(2) Where the expenditure incurred before valuation date in respect of a pre-valuation date asset cannot be determined by the person who disposed of that asset or the Commissioner, that person must adopt any of the following as the valuation date value of that asset-

(a) the market value of the asset on the valuation date as contemplated in paragraph 29, or

(b) 20 per cent of the proceeds from disposal of the asset, after deducting from those proceeds an amount equal to the expenditure allowable in terms of paragraph 20 incurred on or after the valuation date

(3) Where a person has adopted the market value as the valuation date value of an asset, as contemplated in subparagraph (1) (a), and the proceeds from the disposal of that asset do not exceed that market value, that person must substitute as the valuation date value of that asset, those proceeds less the expenditure allowable in terms of paragraph 20 incurred on or after the valuation date in respect of that asset

ANNEXURE B: ADDITIONAL INFORMATION
