Cute and informative. Sometimes we need a little reminder of proper word and grammar usage and these videos prompt us in a fun way. Thank you for this post.

I think so too! Thanks for watching! :D

[Trevor Noah: Born a Crime and Other Stories](#)

Hi students,

If any of you can get your hands on Trevor Noah's new memoir, it is worth a read and relevant to this course. It has a lot of insight into postcolonial South Africa. Have any of you read it?

I haven't read it but appreciate the recommendation and will certainly get a copy.
Thank you.
