1 1 Your friend, Manteku visited you as usual However, you notice that she looks troubled and worried. You insist that she opens up and shares her worry with you. She tells you that her performance appraisal will take place on the following day, and that she hates this appraisal activity. Manteku says she does not understand why her organisation always waste time on this activity, because she does not see what benefits this appraisal brings to either her or the organisation. She also adds that this activity is too formal and finds it boring. She further mentions that, in some cases, employees do not receive any feedback after this activity. It appears that this activity is only carried out as matter of formality.
