**COMMENTS ON ASSIGNMENT 02 (SEMESTER 2)**  
**DUE DATE: 20 SEPTEMBER 2016**

Dear Student

Answers to all the multiple-choice questions pertaining to the second assignment are included in this tutorial letter. We supply you with the question and answer number.

Remember that an assignment is primarily a learning opportunity to enable you to master the course material and to better prepare yourself for the examination. **The examination paper will consist exclusively of multiple-choice questions (no paragraph/essay type questions).** You may regard the assignments as examples of what the examination paper will be like – not in content, as you may get 50 completely new multiple choice questions, but in terms of format, length, complexity, and so forth.
