Dear student,

Welcome to the 5th (myUnisa) tutorial.

Please note that the myUnisa tutorials do not replace the assignments that you will find in tutorial letter 101. These are additional exercises that will help you to master the content of the course and prepare for the examination.

Please read through the following workbook questions and attempt them. The workbook can be downloaded from MyUnisa. Study chapter 18 of the prescribed book if you do not know how to answer them.

Required

Please answer the following workbook questions and upload your answers to myUnisa:

18C.1.1	18C.2.1	18C.2.2
18C.2.4 iii	18C.2.6	18C.3.1
18C.3.3	18C.3.5	18C.4.1
18C.4.2 B	18C.4.3	18C.6.1
18C.7.1	18C.8.3	18C.8.5

Go to “discussion forums” to upload your answers (and then click on “Forum 3 – Tutorial discussions”). You will find guidelines there on how to do it. Upload your answers to myUnisa so that other students can comment on them. The idea is that students learn from one another and together produce better solutions.

I will provide suggested solutions to the questions if at least one student uploaded his/her answers to myUnisa.

Please consider the due dates provided for the assignments and tutorials and keep up to date.

Regards,

Wilhelm (Willie) P. Nel
