Dear Student,

2 PRESCRIBED BOOK

The prescribed textbook for this module is Marnewick CG "*Litigation Sills for South African Lawyers*" 3rd edition (2012 LexisNexis). The ISBN/ISSN number for the hard copy of the prescribed book is 9780409055023.

The content of TLI4801 is built around the prescribed textbook and it is therefore essential that you obtain a copy as soon as possible after registration. You will note that the online platform for the module centres on learning units. In each learning unit, you are referred to a specific chapter or part of the textbook to prepare. We therefore reiterate that you will not be able to successfully master this module without the prescribed textbook.

The textbook we use for this module is considered a professional title – this means that it is used in practice by practitioners. The textbook is extremely detailed and one of only a few publications on the topic of litigation skills from a South African perspective. Resultantly you will note that the prescribed textbook is slightly more expensive than what you may be accustomed to. Because of this, we have arranged with the publisher that they will offer the textbook as a substantial discount to Unisa students registered for this module **BUT** only if the book is ordered directly from the publisher using the form below.
