

1. Explain what ADR is (2)

---

---

---

2. Briefly discuss all the common characteristics of ADR processes (10)

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

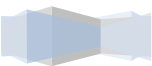

---

---

---

---

---

3. Discuss Litigation as a method of Dispute resolution (10)

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

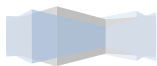

4. Name the primary processes that ADR is based on (3)

---

---

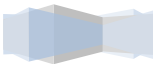

---

---

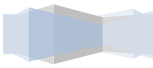

5. Compare the characteristics of all 3 Primary processes of ADR with each other (10)

| Negotiation | Mediation | Arbitration |
|-------------|-----------|-------------|
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |
|             |           |             |

|  |  |  |
|--|--|--|
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |

|  |  |  |

|  |  |  |

6. Name and discuss the Derivatives of Mediation (6)

---

---

---

---

---

---

---

---

---

---

7. Briefly Discuss the 4 derivatives of Arbitration (8)

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

8. Discuss Party presentation (5)

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

9. What is a mini-trial? (3)

---

---

---

---

---

---

10. Compare the strengths and weaknesses of ADR processes(10)

| <b>Strengths</b> | <b>Weaknesses</b> |
|------------------|-------------------|
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |
|                  |                   |

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |

11. State the characteristics of Dispute resolution mechanisms in African customary law (6)

---

---

---

---

---

---

---

---

---
