- (b) Mr X is charged with murder in the regional court. His attorney and the prosecutor agree verbally to a plea in terms of section 105A of the Criminal Procedure Act, in terms of which the accused will plead guilty to the lesser charge of culpable homicide in exchange for a wholly suspended sentence. The agreement is sealed in the magistrate's chambers, and the latter agrees with every aspect of the agreement. After the accused has pleaded guilty as agreed upon, the magistrate indicates that she is not entirely pleased that the accused will be "getting off scot free", and that X should, in fact receive a sentence of direct imprisonment. She further rules that the plea agreement reached in her chambers is binding on all the parties, and proceeds to sentence the accused, according to her, "in terms of the provisions of s 105A".

Did the parties follow the correct procedure in terms of the provisions of s 105A? Discuss (10)

- (b) *Mnr X word in streekshof aangekla op 'n aanklag van Moord. X se prokureur en die staataanklaer bereik 'n mondelinge ooreenkoms in terme van artikel 105A van die Strafproseswet waarvolgens X skuldig sal pleit op die minder klagte van strafbare manslag. Die pleitooreenkoms vind plaas in die landdros se kamers, waarby die partye (insluitend die landdros) ooreenkom op 'n vonnis van gevangenisstraf wat in die geheel opgeskort is. Nadat die beskuldigde alreeds skuldig gepleit het op die klagte van strafbare manslag deel die landdros die partye mee dat sy nie gelukkig is met die ooreenkoms nie, en dat volgens haar, die beskuldigde direkte gevangenisstraf moet kry. Sy beveel verder dat die pleitooreenkoms wat in haar kamers gesluit is, bindend is op die partye, en gaan voorts om X te vonnis volgens haar, "in terme van die bepalings artikel 105A".*

Het die partye die korrekte prosedure gevolg ten opsigte van die bepalings van artikel 105A? Bespreek (10)
