

AIN260-1

The best accounting tutor for this module is me. I had 16 clients last semester. 12 PASSED. 2 SUP and 5 DISTINCTIONS.

You will love to do Pastel accounting with me.

My rates are fairly affordable, I'm here to assist, all I want is for you to pass, and you will.

I can do just an assignment if you are far for a fee of course.

I will assist you with your assignments and never do them alone

I give you a free exam pack as well.

You will be impressed.
